

Portrait packages.

A portrait sitting is a very personal thing, from a new born baby, a family sitting all the way to an eighteenth birthday or boudoir shoot it's important to feel comfortable, in control and to have fun.

We understand the trust that our clients place in us to deliver an exceptional service. That's why we take a detailed and personal approach to planning the shoot – working with you every step of the way to ensure that your requirements are fully met.

We operate with a fully lit studio, complete with changeable backdrops and props. We also have a beautiful and diverse home and garden to create a fully flexible range of sets for your shoot.

Value for money.

All of our portraits and products are designed to represent value for money as well as being a rewarding and fun experience. We make a point of meeting or chatting with you before the shoot and managing your expectations from beginning to end.

Flexibility.

The following represent our most popular packages however please do contact us to discuss how we can customise a package to meet your requirements and budget.
